Principal Q&A

■ International Passenger

Q1: Was the net unit price increase of 2% year-on-year in International Passenger due to the new IT system?

A1: The substantial increase in unit revenue, in spite of the 7% increase year-on-year in ASK, was achieved through the improved revenue management with the new IT system.

■ Business Environment

Q2: What was the effect of the recent rain disaster and flight cancellation of a competitor?

A2: It has limited effects upon us.
