

## THE FUTURE

Thank you for flying with Japan Airlines.

The JAL Group has welcomed around 2,100 new employees in April. I hope they will value their connections with other people, take pride in their work, and accomplish great things. Last year, the JAL Group drew the JAL Future Map. This single piece of paper represents our ideas for the future we wish to create and how we will make it happen. With the addition of our new colleagues, I feel a renewed determination to improve upon this map and create a society that inspires great joy.

Meanwhile, Expo 2025 Osaka, Kansai, Japan is about to kick off! It will be a great opportunity for people from all over the world to share their hopes and dreams for the future, as well as for visitors to Japan to learn what makes our country wonderful. Through various projects such as the Myaku-Myaku Jet draped in livery featuring the Expo's official mascot, the JAL Group has been

while providing a means of transportation to visit all corners of the country. The JAL Future Map also portrays how various air mobility solutions will create new lifestyle options and encounters by coordinating with other aircraft to help transport people and goods. At this Expo, we will offer an immersive full-body experience of riding in a flying car. The latest technology will reproduce the sensation of using a flying car to get around in your daily life. I especially hope that young adults and children, the driving force of the future, will experience the sensation of flying through the skies over Yumeshima and Osaka, and feel a surge of excitement for the skies of the not-so-distant future.

With the theme of designing future society for our lives, the Expo will bring together technologies and ideas from across the globe. The breath of life will be especially tangible at this Expo, and because of the

building anticipation with our passengers for the event's start. And during the Expo, we will at last see the flying cars that we have been preparing with our partners.

Next-generation air mobility solutions such as drones and flying cars will play an important role in addressing problems unique to Japan's mountainous terrain and remote islands

times we live in, it will do us good to let our imagination take flight and visualize tomorrow's society.

We look forward to serving you on your next flight.

### 未来

非常感谢您乘坐本次航班。

JAL集团也在4月迎来了约2100名新员工。希望他们都能珍视与他人的关系,对自己的工作感到自豪,在新天地中大展拳脚。去年,JAL集团将我们想要创造的未来,以及实现这种未来的想法,绘制成了一张名为“JAL FUTURE MAP”的蓝图。我也意气风发,决心与新加入的伙伴们一起,不断完善这张MAP,创造一个充满活力的社会。

此外,“大阪·关西世博会”开幕的时刻终于到来了!这不仅是与世界各地的朋友共同怀抱对未来梦想和希望的时刻,也是让来访客人感受日本魅力的绝佳机会。JAL集团也通过启用绘制有官方吉祥物“脉脉JET”的飞机等各种活动,与乘客一起期待着世博会拉开帷幕。而且,在举办期间,我们将挑战与合作方共同研发的“空中汽车”。

无人机和空中汽车等下一代空中出行工具,可解决山地和离岛等日本特有的问题,也可作为前往旅游目的地每个角落的移动手段,发挥重要作用。刚才介绍的“JAL FUTURE MAP”中,也描绘了各种空中出行工具与飞机协同,实现人和物的移动,创造出新生活方式和邂逅的图景。在本次世博会上,我们还准备了“身临其境体验空中汽车的沉浸式设施”。通过最新技术,再现了日常生活中使用空中汽车移动的感觉。特别希望肩负未来重任的年轻人和孩子们,能够体验飞越大阪梦洲上空的真实感,并对不久的将来的天空充满期待。

本届世博会以“闪耀生命的未来社会的设计”为主题,汇聚了来自世界各地的技术和创意。正是在这样的时刻,您可以在世博会上感受到“生命气息”,放飞对未来社会的想象。

衷心期待您再次选乘日航航班。

President and  
Group CEO

**TOTTORI  
Mitsuko**

Born in Kurume, Fukuoka in 1964. Joined JAL in April 1985 as a cabin attendant. Appointed vice president of the Cabin Safety Promotion Department in 2019, executive officer and senior vice president of the Cabin Attendants Division in 2020, managing executive officer and senior vice president of the Cabin Attendants Division in 2022, senior managing executive officer and senior vice president of the Customer Experience Division in 2023, and representative director, senior managing executive officer, and group chief customer officer (CCO) in June 2023.
